Highlights

Unique epilation system

The epilation discs remove 4x shorter hairs than wax (0,5 mm) at the root. No need to wait until the next waxing session.

Gentle tweezing discs

As your skin needs protection while removing hair, this epilator head features round, gentle tweezing discs.

Sensitive area cap
Small areas to reach? Armpits, bikini areas? Use the sensitive area cap to gently remove the hair from your sensitive areas with ease. Get smooth skin up to the tiniest detail.

Shaving head
Versatile, the epilation head can be replaced with a shaving head for a quick and easy on-the-go shave.

Washable epilation head
This epilator has a washable epilation head. The head can be detached and cleaned under running water for better hygiene

Ergonomic grip
The rounded shape fits perfectly in your hand for comfortable hair removal

Cleaning Brush
Small cleaning brush to remove loose hairs from the epilator discs.
